

JUST A **FUME HOOD STAND** OR A VISION AHEAD?

BoBoTM

New hanging wall Cage

FOLDABLE AND FLEXIBLE

BoBo is a new tool for a safe, easy and accessible positioning of your experimental devices in the minimum space, also under fume hood.

BoBo consists of a foldable hanging wall cage that comes in 2 pieces; assembly and dismantling takes few sec. thanks to its male-female fitting.

6D - SIX DIMENSIONS ORGANIZER

Expand your fume hood working space
by a factor of 6
